## PROJECT

***Portfolio Website*** — *Sep 2026*

- Designed and built a personal portfolio website to showcase professional experience, skills, and projects using AI-assisted development tools and technical mentorship.

*Advancement in Software Bugs Severity Management, College* — *Jan 2024 – Jun 2024*

- Explored the evolution of software bug severity management, from traditional detection methods to intelligent and automated triage systems.
- Analyzed approaches for early bug detection, severity classification, prioritization, and efficient resolution across the software development lifecycle.
- Studied the application of AI/ML-driven techniques to improve bug prediction, classification, and assignment.
- Collaborated in a team to identify emerging trends and propose improvements for faster, more accurate, and scalable defect management.

*Event Management System, College* — *Jun 2023- Dec 2023*

- Coordinated the end-to-end execution of a college event through the student society, managing planning, logistics, and participant engagement.
- Collaborated with faculty, volunteers, and society members to ensure seamless event operations.
- Managed promotions, registrations, venue arrangements, and on-ground coordination within defined timelines.
- Demonstrated leadership, teamwork, problem-solving, and stakeholder management while handling real-time event challenges.

## LEADERSHIP & INVOLVEMENT

**NCC** — *Pilani*
*Captain* — *Apr 2015 – Mar 2016*

- Demonstrated leadership, discipline, and teamwork through active participation as an NCC Cadet.
- Coordinated and participated in drills, camps, and team-based activities, fostering collaboration and responsibility.
- Developed strong communication, time-management, and decision-making skills through NCC training.
- Took initiative in group activities and assigned responsibilities, ensuring effective coordination.
- Built resilience, confidence, and leadership abilities through challenging training and field activities.

## CERTIFICATIONS

- National level hockey player — *Oct 2016*
- District level football player — *Jan 2021*
- Hackathon — *Jan 2022*

## SKILLS & INTERESTS

- **Applications:** Microsoft Office, Excel, PowerPoint, Team Management, Time Management, Data Science
- **Tools:** Python, Java, SQL, C++, R programming
- **Languages:** English (Advanced), R (Proficient)
- **Interests:** Volunteering, Road Trips, Soccer, Sudoku
